

BREATHING IS NOW A BREEZE™

Introducing AirWave, the next wave in respiratory protection—a revolutionary step forward from today's disposable respirators. Its patent-pending wave technology allows easier* breathing for cool comfort, providing the protection you need all day long. Plus, it delivers on the Moldex® commitment—comfortable, durable respirators that increase compliance and decrease costs. For more information, contact your Moldex representative, visit moldex.com or call (800) 421-0668, ext. 550.

MOLDEX®
Ideas that wear well.

*Testing conducted at 85 liters per minute in accordance with NIOSH 42 Part 84, 180 initial resistance requirements. Resistance will vary with actual use conditions. Moldex and Ideas that wear well are registered trademarks. Patents Pending. AirWave is a trademark of Moldex-Metric, Inc. ©2011 Moldex-Metric, Inc.
