

# Look who's pledged to phase-out PVC...

**We've made a pledge of our own:**

**No PVC.  
No extra cost.**

The list keeps growing of major companies looking to address everyone's concern for the environment. These market leaders are reducing or eliminating PVC from products and/or packaging, and adopting environmentally preferred purchasing programs.

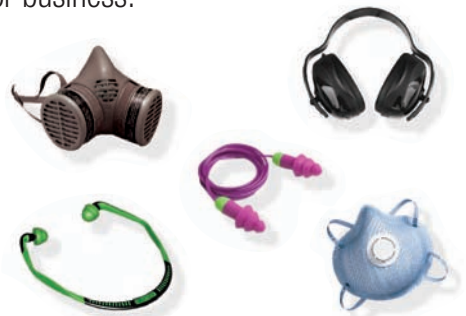

If your company is phasing out PVC or if you're a supplier to such companies,

Moldex now has the only complete line of PVC-Free hearing and respiratory products. Most Moldex products have always been PVC-Free and now all Moldex products are PVC-Free.

All with absolutely no compromise in quality and at no extra cost. So you can upgrade to PVC-Free, for free.

Moldex is a recognized leader and innovator in the field of personal protective equipment. Every product is 100% PVC-Free at no extra cost. And that's an idea that makes sense and is good for business.
