

WITH HANDYSTRAP[®] RESPIRATORS

Fact:

Disposable respirators often get tossed before the filter media is used up.

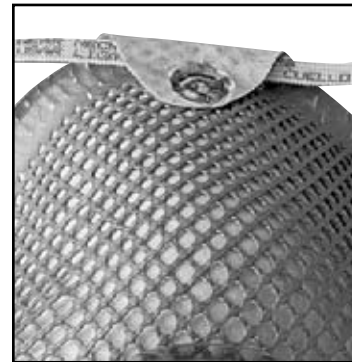

Problem:

- “Take Off and Toss Habit.”

Solution:

- HandyStrap allows mask to hang around neck when not in use — easy on & off.

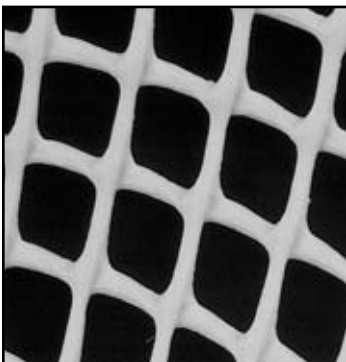

Problem:

- Straps pull off.

Solution:

- HandyStrap won't pull off.

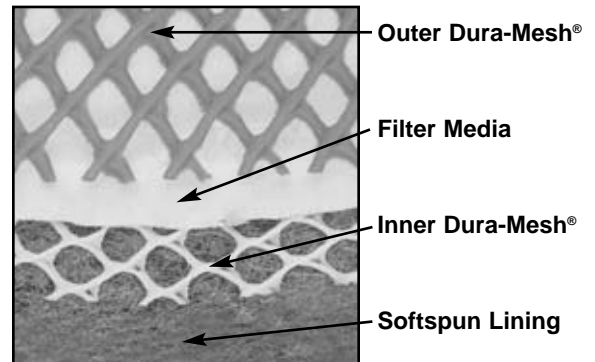

Problem:

- Mask looks dirty on the outside.

Solution:

- Dura-Mesh[®] shell keeps mask cleaner looking longer.

Problem:

- Moisture on the inside.

Solution:

- Inner mesh shell resists collapsing in heat and humidity.

COST SAVINGS SUMMARY

Respirator Usage:

1. # of employees in test group
2. # of respirators used per day for test group
