6654 SparkPlugs
Corded

SLC₈₀
29 dB
Class 5

6604 SparkPlugs
Uncorded

6615 SparkPlugs
Metal Detectable
Corded

SOFT COMFORTABLE FIT

SparkPlugs earplugs are made of extra-soft, extra-light foam. Their tapered shape fits easily in the ear canal, and seals gently and snugly without pressure. They're so comfortable you'll forget you're wearing earplugs.

INDEPENDENTLY TESTED: SLC 29dB

SparkPlugs earplugs offer a high SLC 29dB, making them suitable for most noisy environments. So, while they look like fun, they provide serious protection.

METAL DETECTABLE VERSION

SparkPlugs also come in a metal detectable version which has a new metal detectable cord. The bright blue colour is perfect for food processing applications. The enclosed metal ball bearing eliminates any exposed metal. The ball bearing and cord are in separate holes so that the earplugs remain detectable even if the cord is removed. The earplugs are corded to prevent earplug loss.

AVAILABLE IN PLUGSTATION DISPENSER

Moldex offers the convenience, increased compliance and cost savings of our popular earplug dispenser, the PlugStation®, with several versions of the SparkPlugs foam earplugs – Uncorded, Corded, and Metal Detectable. With the PlugStation you can afford to put earplugs in all the places they're needed. PlugStation's convenience, ease of use, and high visibility lead to higher compliance and by giving quick access to workers It also saves worktime.

- Compliance — High visibility to increase awareness for your hearing conservation program.
- Convenience — Hang a PlugStation anywhere plugs are needed.
- Cost Savings — Workers take one pair at a time so there are no wasteful grabbing of multiple pairs.

FEATURES

- Independently tested to AZ/NZS 1270, SLC 29dB.
- Extra-soft, low-pressure foam for comfort and fit.
- Tapered shape for easy insertion and removal.
- Shaped to fit even very small ear canals.
- Non-irritating smooth surface.
- In the Metal Detectable version the plug and cord are independently detectable for added safety.
- Look for the exclusive coloured streaks and swirls as a symbol of Moldex quality.
- 100% PVC-Free for a greener alternative.

WARNING TO USER

- Use this laboratory-derived attenuation data for comparison purposes only. The amount of protection afforded in field use often is significantly lower depending on how the protectors are fitted and worn.
- Failure to follow all instructions could result in hearing loss or injury.
- Failure to obtain a proper fit will reduce effectiveness of hearing protectors and could result in hearing loss or injury.
- SparkPlug earplugs must only be used as part of a hearing conservation program that complies with applicable local safety and health regulations.
- Overprotection can be dangerous. The wearer must be able to hear warning signals.
- Wearers with hearing loss should exercise extreme caution.
- It is the employer's responsibility to ensure that the type of hearing protector and its SLC is appropriate for the user in their particular workplace.
- Use caution when working around machinery or other equipment to ensure neck cord does not become caught or entangled.
- Failure to follow these warnings could result in serious injury or death.

Moldex provides all of the technical assistance required to set up a hearing protection program. For more information call +1 (800) 421-0668 or +1 (310) 837-6500 ext. 512/550 or E-mail: tech@moldex.com or visit www.moldex.com.

Keep earplugs away from infants and small children as they may get caught in the windpipe and create a choking hazard.

LIMITED WARRANTY: IMPORTANT NOTICE TO AUSTRALIAN PURCHASER

This warranty is provided in addition to other rights and remedies you have under Australian law. Our goods come with guarantees which cannot be excluded under the Australian Consumer Law. You are entitled to replacement or refund for a major failure and to compensation for other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This limited warranty is made in lieu of all other warranties, express or implied. There are no other warranties which extend beyond this limited warranty or those in the Australian Consumer Law in Schedule 2 to the Competition and Consumer Act 2010 as amended from time to time, or other similar legislation of a state or territory of Australia (Australian Consumer Law). The products sold will meet Moldex's physical standards and specifications. Subject to the Australian Consumer Law, remedies for breach of this limited warranty are limited to replacement of the number of Moldex products proved to have been defectively manufactured. Under this limited warranty, Moldex shall not be liable or responsible for any loss, damage or liability, direct, indirect, special, or consequential, arising out of sale, use, or misuse, or the inability to use products by the user, although you may have other rights and remedies under the Australian Consumer Law. Any claim under the warranty must be made within 1 year of the date of purchase of the product. To make a claim under the warranty, take the product (with proof of purchase) to the store where you purchased the product to contact Moldex. Moldex will pay your reasonable direct expenses of making a claim under this limited warranty which is upheld. You may submit details and proof of your expense claim to Moldex for consideration. This warranty is given by:
