

# From Folded to Face in a Flash.

## **FASTFIT™**

### **Introducing the new FastFit™ 1712 N95 Flat Fold Healthcare Particulate Respirator and Surgical Mask from Moldex.®**

Folded for convenience. Molded for comfort. And fits in a flash! FastFit™ masks open quickly and easily into a molded cup and contour naturally to your face. Plus the contour molded nose bridge, with a soft foam cushion, eliminates the need for a metal nose band and provides a pinch-free, easy, comfortable fit. Non-latex straps and the highest ASTM level of fluid resistance make the FastFit an ideal mask to use throughout any healthcare facility. So let your users do a Folded to Face in a Flash trial, with FastFit – unlike all other flat folds.
