

# Folded | Molded | Folded

## **FASTFIT™**

### **Introducing the new FastFit™ 2112 N95 Flat Fold Particulate Respirator from Moldex®**

Folded for convenience. Molded for comfort. And fits in a flash! FastFit™ masks open quickly and easily into a molded cup and contour naturally to your face. Plus the contour molded nose bridge, with a soft foam cushion, eliminates the need for a metal nose band and provides a pinch-free, easy, comfortable fit. So let your users do the Folded/Molded/Folded trial, with FastFit – unlike all other flat folds.

- Flat fold convenience with contour molded comfort.
- Quick and easy to put on, unlike all other flat folds.
- Individually packaged for hygiene in a dispenser style box.
- Exclusive Dura-Mesh® shell resists collapsing in heat and humidity...for proven durability and cost savings.
- 100% PVC-Free.

Free samples to qualified individuals, call 1-800-421-0668, Ext. 550, e-mail [sales@moldex.com](mailto:sales@moldex.com), or visit our website at [www.moldex.com](http://www.moldex.com)
