

The Comfort of the Curves

Meteors unique curved design provides exceptional comfort.

The contours follow the shape of the ear canal which means less pressure

at the smallest diameter of the ear canal. Meteors innovative undercut design affords a secure fit, all day long. Plus, they have the

highest independently tested NRR 33 for regular Meteors and NRR 28 for Meteors, small, available for women and other workers with smaller ear canals.

Plug your workers into the latest in comfort at www.moldex.com.

Meteors regular and Meteors, small are available in uncorded, corded and PlugStations models
